PRESENTS

Alaska

The Denali Explorer

Featuring the Royal Princess
August 19 – 31, 2019

Highlights Include:

*Fairbanks, Denali National Park, Mt. Denali,
Hubbard Glacier, Glacier Bay National Park,
Skagway, Juneau, Ketchikan*

Alaska - the Wilderness Destination

So incredibly beautiful, you'll think you stepped into a painting. This is Alaska as seen from the panoramic perspective of your dazzling Princess cruise ship. Monumental glaciers are nature's draw and Alaska's waterways reveal more of these thrilling Ice Age giants than anywhere else on earth. Alaska's Inside Passage is one of the most scenic sea-lanes in the world, home to bald eagles, whales, sea lions, otters, brown bears, mountain goats and flocks of seabirds. Plus you'll visit a variety of flavorful ports of call full of rich history and native culture.

Cruise Tour Itinerary

Central Illinois to Fairbanks: August 19, 2019

Today you will board your coach to the airport and then fly to Alaska. Alaska's "Golden Heart City" of Fairbanks is a great introduction to the heart of this unique state. Check in to your hotel and get ready for the beginning of your adventure.

Fairbanks/Denali: August 20, 2019

A cruise along the Chena River on a Sternwheeler Riverboat is about as authentic as it gets. Later, you'll head for Denali National Park via a scenic motor coach trip for your arrival at the first of your two destinations at Denali, the Denali Princess Wilderness Lodge.

Denali: August 21, 2019

We have a full day to get out into one of America's best national parks. This morning, a Natural History Tour serves as a wonderful introduction to the animals, plants and geological features found there. Later today, you may want to stop by the tour desk to plan an activity such as rafting or hiking.

Denali/Mt. McKinley: August 22, 2019

This morning we will travel by motor coach to the south side of the park for two nights at the Mt. McKinley Princess Wilderness Lodge. Take in the sensational views with a glass of wine in the Great Room or on the expansive deck. The 20,320 Alaskan Bar & Grill is a perfect place for a relaxed dinner to end your day.

Mt. McKinley: August 23, 2019

The entire day is ours to spend as we choose. Stop by the Tour Desk to book an excursion or just relax and enjoy the wilderness setting of the lodge.

Mt. McKinley/Whittier—Direct to the Ship: August 24, 2019

After a morning enjoying the vistas, we'll transfer to the historic town of Talkeetna to board the exclusive Direct-to-the-Wilderness Rail for the journey to Whittier and our awaiting ship. Our ship is set to leave port at 8:30 p.m. —*time subject to change.*

Hubbard Glacier (Scenic Cruising): August 25, 2019

Our ship passes the mammoth Hubbard Glacier, Alaska's only advancing glacier. Our day is filled with amazing natural sights as you linger along its shimmering five-mile long face.

Glacier Bay National Park: August 26, 2019

The icy wilderness of this spectacular national park and preserve displays massive glaciers that stretch from the ice-draped St. Elias and Fairweather mountain ranges to the ends of majestic fjords. The park is also home to an amazing world of marine life, including humpback whales, sea otters, porpoises and harbor seals. See it all through the eyes of a park ranger who comes aboard to add expert insight.

Skagway: August 27, 2019

Just imagine thousands of gold-crazed adventurers seeking the best jumping-off spot for their arduous trek. They found the deepest penetration by boat was at the northern tip of the Lynn Canal. This is how Skagway was born. Here we can ride the world-famous White Pass and Yukon Railroad and then visit one of the historic gold-rush camps, where we can browse through cabins and tents that were once used as a bakery and a saloon.

(Tours are additional)

Juneau, August 28, 2019

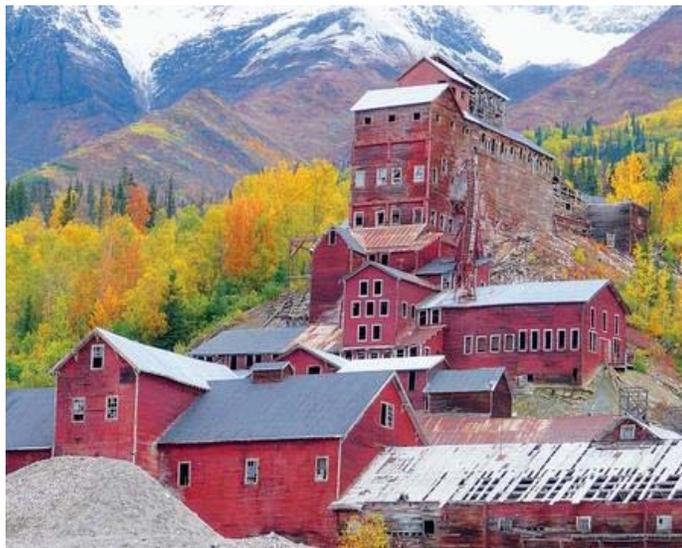

Today we arrive in Juneau, the capital of Alaska. Juneau is home to some of Alaska's most spectacular scenery. Nestled at the foot of Mt. Juneau, the city faces the water from the mainland side of Gastineau Channel. Several magnificent fjords are located along the channel coast and the majestic Mendenhall Glacier. *(Tours are additional)*

Ketchikan, August 29, 2019

Ketchikan originated as an Indian fish saltery, but the town's major growth began when it became a supply base and entry port for miners during the 1898 Gold Rush to the Klondike. Much of the town's colorful past is still in evidence, especially in the nearby Indian villages, where you'll see colorfully carved totem poles and hear the fascinating legends that surround them. *(Tours are additional)*

Inside Passage (Cruising): August 30, 2019

Cruising through the Inside Passage is really what has made Alaska cruising so popular. This trip captures so much of what people love about Alaska. View glaciers the size of Rhode Island! Misty rain forests and ghostly blue fjords and spirited communities that celebrate their varied heritage. Be sure to take in every view as we sail through one of the most beautiful parts of Alaska.
