For the first time we are including all your port excursions for the cruise portion of your Denali Explore Cruise Tour Package. There are so many options to choose from as we sail through the Great Land of Alaska. The excursions we have selected are the best ones to give you a feel of the port and still allow for free time. Please note that you are free to purchase other excursions if you wish through Princess and opting out of the Direct Travel excursions does not provide a savings on your Cruise Tour.

SKAGWAY

White Pass & Yukon Route Railroad

The railway excursion is enhanced by the breathtaking vistas, waterfalls, mountains, glaciers and unforgettable Klondike Trail of '98, a tribute to the optimistic prospectors in search of their fortune. The fully restored cars, pulled by vintage diesel locomotives, climb nearly 3,000 feet over 20 miles of steep grades and around cliff-hanging turns. You'll retrace the original route to the White Pass Summit, passing Bridal Veil Falls, Inspiration Point and Dead Horse Gulch. Take in the majestic panorama and historic sites from your large picture windows.

JUNEAU

2 Hour Whale Watching Cruise

Witnessing whales gliding through their natural habitats is one of the most incredible things to do in Juneau. If you cruise to Alaska between April and November, you'll likely see one of the approximately 600 humpbacks that thrive along the Inside Passage. Whales will inhabit the waters throughout the year, however, so there's always a chance for you to observe these creatures up close. The picture to the left is an actual photo of the 15 whales "bubble netting" from our tour in July 2018.

KETCHIKAN

Great Alaskan Lumberjack Show

Watch manly-men chop and saw wood, throw an axe, climb a tree, roll on a log and more at the Great Alaskan Lumberjack Show. Acclaimed by Travel Channel as one of the "Top 10 Things to See in Alaska," this rollicking presentation by real lumberjacks showcases Ketchikan's pioneer beginnings.
